OMPC INTERNSHIPS [10 MONTHS]

A 10-month internship with Oak Mountain Presbyterian's Missions Department. OMPC's Missions Ministry wants to help prepare the next generation of leaders as well as local and global missionaries. This internship is tailored to your personal desire for future ministry and will seek to provide opportunities for you to serve in those specific areas. The internship program at OMPC will focus on 3 components of a healthy ministry and/or missionary:

- **Head** – growing in knowledge, wisdom and discernment
- **Heart** – spiritual guidance and encouragement
- **Hands** – exposure and experience that will prepare you for God's future leading

Each week you will learn more about who God has uniquely made you to be, discuss theology, debrief meaningful experiences, and hear from others who are in ministry. You will have the opportunity to work alongside the missions staff and your peers to help facilitate events hosted by the Missions and Mercy Ministries of OMPC. As a culmination of your year, you will participate in a short-term trip.

This is a part-time or full-time internship paying approximately \$10/hour with partial fund-raising required.

The application is open to high school and college students. The application deadline is March 31.
