OMPC's Roadmap for Grace-Focused Life Coaching

MINISTRY describes what we are called to do for Christ

Grace-Focused Life Coaching taps into how God the Father's grace abounds with transforming power to fuel every Christ-follower to make a Spirit-inspired difference for the Kingdom.

MISSION tells us where would should be according to God's Word

Our mission is to **enlist** (Ephesians 4:1), **equip** (Ephesians 4:12), and **empower** (Ephesians 4:15) Christian people to be Grace-Focused Coaches who converse with others in the theological turbo of gospel grace (Colossians 4:6) that is found in Christ alone. A coach is a people developer who through a powerful questioning strategy seeks to show grace to all to help them implement in their lives the *repent*, *believe*, *and fight* aspects of the *transforming power* of God's grace.

VISION pictures where God is leading us

Our vision is to inspire people to care and coach like Christ. In this light:

- 1. We believe effective Christ-centered coaching will help our church become bette known in our community as a place of strength and restoration where people can move forward in their lives through grace.
- 2. We believe that effective biblical coaching will bolster our ability to provide timely pastoral care that stirs *Christ-centered hope* in and to a wider audience.
- 3. We believe that effective Christian-life coaching will foster more spiritual formation within our church family as they focus on the *transforming power of grace*.
- 4. We believe that effective coaching will enhance the church's outreach by seeing people come to Christ every year through it.

Ultimately our aim is for our local church to be a biblical coaching ministry rather than simply housing one.

PASSION tells us who we are on our journey

Our passion is to coach people to coach others to grow in the grace of our Lord Jesus (2 Peter 3:18) in order for them to find their Holy Spirit's ministry sweet spot. We do this by not telling Christians what to do, but drawing out in them (Proverbs 20:5) what God has already put into their hearts to make a Spirit-inspired difference in this world as well as calling one another to the hope that is promised in Christ.

COMMISSION provides the road map to travel from the present to the future

Our call and commission from Christ is to oversee a biblical training process in Christian Life Coaching whereby we exist to be an equipping epicenter for coaching within our congregation to draw out in each one of our members their unique upward call from Christ
